

WHITE-PAPER \$ SQUID

SQUIDANOMICS

DISCLAIMER

Squidanomics and symbol SQUID, including but not limited to the overall project, token, website, smart contracts, and any apps (“Squidanomics”) as presented in this conceptual paper is not a licensed, unlicensed, or exempted financial or payment service of any kind and in any jurisdiction. Any terminology used in this Whitepaper, on the Website, or within the app is intended only as a basic reference, without any effective or legal meaning of the same terms in a regulated and/or financial environment. SQUID, is a decentralized and community-driven project and does not have owners, shareholders, promoters, marketers, managers, directors, or other figures or entities exerting any form of governance. The Squidanomics smart contract is open-source, security audited, permanent, and non-modifiable in any way. The SQUID token is strictly a utility token in all jurisdictions and is not and cannot be considered to be a “security” or otherwise regulated token of any kind. SQUID is not in any way e-money and/or fiat money, or an asset-backed stablecoin, whether global or limited in scope. This Whitepaper taken by itself is not a contract or a contractual agreement of any kind, nor is it an invitation, solicitation, or offer to invest in Squidanomics or acquire or use SQUID tokens in any way and with any expectation of profit therefrom. Any user of SQUID represents and warrants that such user has received appropriate technical, administrative, regulatory, and legal advice before and are accessing and/or reading this Whitepaper or the Website, and/or using any portion or element of Squidanomics (including the SQUID token). The user hereby acknowledges and accepts that there is an inherently high risk in accessing, acquiring, or using any kind of blockchain and/or cryptosystem, token, platform, software, or interface, including Squidanomics (SQUID token), and further disavows any claim of any kind against any community member directly or indirectly involved with Squidanomics, for any damage suffered, including total loss.

INTRODUCTION

Squidanomics (\$SQUID) blasted off onto the Binance Smart Chain scene on Oct 17, 2021!

From the very beginning of its humble liquidity beginnings, Squidanomics has continued to grow and amaze everyone who has witnessed their lunar journey. With a community of diamond-handed investors strapped in for a price discovery explosion, Squidanomics offers a safe place for investors to be protected from scams and honeypots. Squidanomics prides itself on having a large, ever-present, and transparent team.

Squidanomics is a token where everyone can feel included in the project's successes!

GAMES

Squidanomics has revolutionary “Hold to play” games for members to play in which users must connect their wallets and immerse themselves in incredible landscapes as they solve puzzles, get through obstacles and discover valuable prizes such as NFTs and token drops. This game model incentivizes holding and it also rewards those who do as they compete in the amazing games. The possibilities for settings and plot lines are infinite and will lead holders on an adventure as they explore and escape new worlds.

NFT COLLECTION

Squidanomics has created a revolutionary hand-drawn NFT collection for our holders to collect. These NFTs can also be earned by participating in the various events held in the Telegram group. Be an active community member and who knows what the future will bring you.
